BAREFOOT MINISTRIES AUSTRALIA INC.

Raw. Real. Radical.

Letter of Recommendation:

Nicole Hargreaves teaches with authority and compassion. She is biblically sound and teaches in a way that can be grasped by young and old alike.
Nicole shows humility and kindness as she ministers.
She does not shy away from the hard questions and practices what she preaches.
Our congregation was not only blessed by her weekend of teaching but feel more equipped to pray for people in the area of deliverance and healing.
I wholeheartedly would recommend Nicole Hargreaves to teach on the areas of Deliverance and Healing. We saw both healings and people delivered through her ministry.

In Christ,

Rebekah Matson

Minister
